

SENIOR CITIZENS DISCOUNT PROGRAM
BURGMEIER HAULING, INC.

Effective February 1, 2010, any Burgmeier Hauling customer, age 62 and older, is eligible for a discounted rate for waste removal services with proof of age.

Who is eligible?

*Any customer age 62 or older must provide proof of age at our office when you purchase the bags.

How does it work?

*You must buy our B.C.R.R.F. (Blair County Resource Recovery Facility) bags, which come pre-packaged as ten (10) bags. **The cost is \$50.00.** You may NOT use your own trash bags, as the orange BCRRF bags will allow the drivers to identify you as a senior citizen customer. We will only pick up every other week, on co-mingled recycling weeks. You may refer to our recycling calendar on our website, under "Schedules." For example, during the month of February, we would pick up during the weeks of February 1—5 and February 15—19. If you are an established customer, your pickup day will remain the same. You MUST call the office the day prior to your pick-up if you have bags ready for removal. If you do not call in, the bags will not be picked up. Likewise, if you do not need pick-up, you do not need to call the office.
